January 20, 2009

Sue Fletcher joined Scotch College in January 2008, employed by us as International School Coordinator and High School ESL/EFL. She immediately made a positive impact on the school, and especially amongst our group of international students. She is an enthusiastic, positive, optimistic, extremely well organized and inspiring individual. This comes through in everything Sue does, including raising the profile of our international cohort, and negotiating and dealing with the Visa requirements (and testing) each student required to enroll.

Throughout her time here she worked well with her colleagues, students, parents and the wider community. She threw herself into her role with gusto, and despite initially employing Sue on a .4 FTE (one fifth of a FT role), and on a temporary basis, I was convinced by her excellence and outstanding performance to increase her to Full Time permanent, hopefully engaging her for the rest of her teaching career. It was to my dismay she was head hunted by another school and Scotch unfortunately lost more than just a teacher, but a true member of the Scotch Community. This was further proven when her ESL/EFL results were the best we had seen in many years.

Sue's myriad of experiences overseas enhanced and added depth to her value to the College. She was instrumental in providing support and pastoral care for our most vulnerable students, and in this role positively affected the lives of many. She also put her hand up to be involved in our Aquatics program, several camps and, trusting her completely, she took our Girls' First VIII rowers to compete in the Nationals at Sydney.

Sue is an intelligent, smart, committed educator and I could not recommend her more highly.

Sincerely

A handwritten signature in black ink, appearing to be "Tim Oughton".
